From

K. MATTHAN, Esq., B. A.,

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

Adverting to Government Orders Nos. G. 50-1/P.P. 134--18-647 and G. 101-3/P.P. 101-18-26 dated 2nd July 1919, sanctioning a temporary establishment of 3 hands for 2 months, 2 on ₹50/- each, and one on ₹40/- per mensem for work in my office and in the Provincial Grain Depot, Bangalor I have the honour to state that these hands were actually entertained on the 17th, 24th, and 28th idems respectively. One of these hands viz., the accountant on ₹40/- kindly spared by the Comptroller, fell ill almost immediately after he joined this office, and had to be granted sick leave for 15 days.

2. In the foregoing circumstances although considerabl progress has been made till now in the work for which they were ~~previously~~ entertained viz. the compilation, verification and analysis of the old accounts and the settlement of bills, it cannot be said to be complete. Moreover, I now find that the work will take up much more time than was at first anticipated. I also find that the current work in the Accounts Branch of my office has largely outgrown the capacity of the existing permanent establishments which consists of one Superintendent, one Head Accountant and two accountants only. Further in actual practice it is

it is difficult to distinguish between arrears and current work, and the new hands had consequently to be employed on both kinds of work.

3. Some idea of the volume of work transacted may be obtained from the marginally noted figures. Since most of the receipts consist of statements and accounts which require careful scrutiny, and posting up in several registers and books, the figures have really to be doubled or trebled in order to form an adequate conception of the time and labour involved. To deal satisfactorily with the work and keep it up to date, I find it absolutely necessary to continue the services of the temporary hands as long as the sale of Burma rice through Government Depots continues i.e. till the end of December 1919.

b) Director of Civil Supplies's Office. 109.
c) Besides the accounts of the Provincial Grain Depots at Mysore and Tumkur now closed.

III Number of Depots 73.

4. In the Provincial Grain Depot at Bangalore, also, I find that there is a good deal of clerical work to be done, and the Depot Officer cannot manage it single-handed.

5. In the foregoing circumstances, I beg to request that Government may be pleased to sanction the continuance of the services of the three temporary hands till the end of December 1919, or as long as this office lasts.

I have the honour to be,
Sir,
Your most obedient servant,

Food Controller & Director.
